Holly Hall

A Christian Retirement Community

Founded in 1949, Holly Hall Retirement Community is a unique, non-denominational Christian retirement community for persons 65 years of age or older.

Holly Hall is a retirement community, which keeps the physical safety and well-being, and spiritual, social, and intellectual growth of its residents as its highest priorities. The board and staff strive to be innovative in their desire to deliver person-centered care to all residents.

Since its inception, Holly Hall has stayed true to its quest of "adding years to life and life to years," by concentrating on the health and well-being of the whole person—spiritually.

MUSIC & MEMORYSM

Founded in 2010, MUSIC & MEMORYSM is a unique program which provides individualized playlists to residents who suffer from Alzheimer's, other forms of dementia and a wide range of cognitive and physical impairments.

These musical favorites tap deep memories not lost to dementia and can reawaken residents, enabling them to feel like themselves again, converse, socialize, and stay present.

Holly Hall was one out of 32 agencies selected to pilot this program in Texas and has seen great success with the participants. With your help, Holly Hall can expand the program and increase the number of residents that can benefit from the joy of music.

Benefits of MUSIC & MEMORYSM

Personalized music has many benefits for residents who suffer from Alzheimer's, other forms of dementia and a wide range of cognitive and physical impairments.

- Individuals become more engaged with those around them.
- Someone who has been sad or depressed may feel happier.
- Someone who has been less mobile may become more physical.
- Music can allow residents to be calmer and less agitated.
- Individuals are more cooperative, attentive, and willing to accept care.
- Music offers an enjoyable activity for persons on dialysis, on ventilators, or bed-bound.
- Music can provide a valuable tool in the effort to reduce antipsychotic medications.

Holly Hall became a MUSIC & MEMORYSM certified partner in 2015.
